Important Membership Information

Completing this application helps us to keep up-to-date information and comply with relevant legal changes.

In signing the application form you confirm that you have read and understood the Napoleonic Association's [Health & Safety Code](#) and the conditions of membership outlined in the [Code of Practice](#).

You understand that the information provided on this form will be entered onto a database and kept in accordance with the Napoleonic Association's [Data Protection Policy](#). It is the member's responsibility to check that it is complete and correct.

You confirm that all members named on the application understand that participation in Napoleonic Association events is done so at the individuals own risk and that the Napoleonic Association is covered by public liability insurance only.

Where applying for Family Membership the signatory is confirming that all members named are living at the same address (or education accommodation) and are either under the age of 18 or in full time education* or a primary carer of the main member. *Full time education as a student and not as a teacher or teacher training, not as a PHD or Doctorate

Due to child protection legislation it is a legal requirement for applicants to inform the Executive Committee of any Criminal Convictions (other than motoring offences). This information will be treated confidentially by the Association and may not preclude membership. You may choose how and to whom you disclose this information as long as it is to a member of the Executive Committee. The Napoleonic Association reserve the right to refuse membership.

Young persons (under 18) may join on a family membership along with their parent/guardian or where a parent does not wish to join, they may apply to attend NA events with a 'Guardian' Member who will sign the appropriate documentation for their welfare and safety compliance. Without a named and signed guardian, applications will be returned to the unit CO for compliance.

If you are under the age of 18 and NOT part of a family membership, please complete and Return the Under 18 Application form with appropriate parent and Guardianship signatures. Your unit commander can assist.
